Benefits and Features

Scope of Cover

Three different Sections of cover are available under the Policy.

Only those Sections that We have agreed to include in Your insurance with Us will be operative. These will be identified in the Policy Schedule as "Insured". The inoperative Sections will be shown in the Policy Schedule as "Not Insured".

Not everything is covered by the Policy. The following is a limited summary only and as such does not form part of the terms of Your insurance. All cover is subject to the applicable Sum Insured, Limit any One Loss, Limit of Liability or sub-limit and terms, conditions, exclusions and limitations that are not listed in the summary.

Section One: Material Damage

Section One provides cover for plant or machinery identified as Insured Items in the Policy Schedule if they suffer accidental, sudden and unforeseen physical loss, theft, destruction or damage during the Policy Period anywhere in the Territorial Limit.

We will pay You up to the Sum Insured or Market Value, whichever is the lesser for:

- the cost of repairs if the Insured Damage can be repaired; or
- the Insured Item if it cannot be repaired.

We will not pay more than a maximum total amount up to the Limit any One Loss for all loss or Insured Damage that arises from any one event, source or original cause.

Section One provides cover for Insured Damage caused by Flood, unless We tell You otherwise in writing.

Section Two: Registered Insured Item Liability (Including CTP Gap Cover)

Section Two provides cover for Your legal liability to third parties in respect of Personal Injury or Property Damage that first occurs during the Policy Period caused by an Occurrence in the Territorial Limit from You using, operating or towing a Registered Insured Item primarily as a Motor Vehicle. A Registered Insured Item is any plant or equipment (and associated Attachments) that is registered for public road use and is shown in the Insured Items Schedule of the Policy Schedule.

This Section does not cover liability for Personal Injury which is insured under any compulsory statutory insurance or scheme or accident compensation insurance or scheme, or would have been so insured but for the failure to:

- insure or register the Motor Vehicle;
- lodge a claim; or
- comply with any term or condition;

under any such scheme.

Section Three: Broadform Liability

Section Three provides cover for Your legal liability to third parties in respect of Personal Injury or Property Damage first occurring during the Policy Period and caused by an Occurrence in the Territorial Limit in connection with Your Business.

Additional Benefits

Each Section that is operative includes Additional Benefits.

These Additional Benefits usually have a lower Sum Insured for Section One, or Limit of Liability for Sections Two and Three, or sub-limit. As these are included automatically when a cover Section is operative, they are not shown in the Policy Schedule.

Please see:

- pages 17 to 21 for the Additional Benefits for Section One;
- page 26 for the Additional Benefits for Section Two; and
- pages 30 to 31 for the Additional Benefits for Section Three.

Optional Extensions

Each Section has Optional Extensions which You can apply for (additional premium may apply). If We accept Your application and agree to provide an Optional Extension it will be shown as "Covered" in the Policy Schedule.

Please see:

- pages 21 to 24 for the Optional Extensions for Section One;
- page 28 for the Optional Extensions for Section Two; and
- page 34 for the Optional Extensions for Section Three.

How Much We Insure You For

Section One: A Sum Insured or Market Value will be shown in the Policy Schedule for each Insured Item. A different Sum Insured or sub-limit may apply under an Additional Benefit, Optional Extension or Endorsement.

The amount We pay will be limited to the applicable Sum Insured or Market Value or other sub-limit and will be calculated according to the Basis of Settlement and other terms in Section One.

Section Two: The maximum amount We will pay under Section Two in respect of all claims arising out of any one Occurrence will be the Limit of Liability specified for this Section in the Policy Schedule, or any other sub limit specified or Limit of Liability applicable under an Additional Benefit, Optional Extension or Endorsement.

Section Three: The maximum amount We will pay under Section Three:

- in respect of all claims arising out of any one Occurrence; or
- in respect of all claims arising out of any one or more Occurrences in respect of Products Liability,

during the Policy Period will be the applicable Limit of Liability specified for this Section in the Policy Schedule.

The Policy Does Not Cover Certain Things

There are certain restrictions or exclusions that limit the cover provided.

Please see:

- page 14 for the Exclusions applicable to all Sections;
- pages 16 to 17 for the Exclusions applicable to Section One;
- page 27 for the Exclusions applicable to Section Two; and
- pages 31 to 33 for the Exclusions applicable to Section Three.

Assumed Liability and Waived Rights

Other than Covered Contracts (as defined on page 12), if You have entered into an agreement with another party:

- where You are assuming a greater liability than would apply had You not entered into that agreement; or
- which prevents You from taking a recovery action for indemnity or contribution from that party,

it may adversely affect Your rights to cover under the Policy.

Conditions

The Policy details certain conditions that You must comply with. If You do not comply with these conditions, We may be entitled to refuse or reduce Our liability under the Policy in respect of a claim and/or cancel the Policy, to the extent We are prejudiced by Your non-compliance as permitted by law.

Cooling Off Period

The Insured can exercise their cooling off rights and cancel the Policy within twenty one (21) days of the date they purchased the Policy (to do this, the Insured must advise Us in writing) and receive a refund of the premium paid, provided You have not exercised any right or power under the Policy (e.g. made any claim) and these rights and powers have not ended.

We may deduct any reasonable administrative and transaction costs incurred by Us that are reasonably related to the acquisition and termination of the Policy and any Government taxes or duties We cannot recover, from any refund amount.

After the cooling off period has ended, the Insured still has cancellation rights, however We may deduct a pro rata proportion of the premium for time on risk, plus any reasonable administrative costs and any government taxes or duties We cannot recover. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured for an Insured Item or Registered Insured Item, or Limit of Indemnity, no return of premium will be made for any unused portion of the premium. (Refer to the General Conditions Applicable to All Sections – Cancelling the Policy on page 9 for full details).

The Cost of the Insurance Policy

The premium payable by the Insured for the insurance under the Policy will be provided to the Insured before they agree to enter into a Policy with Us and will also be shown on the Policy Schedule.

The key factors that may influence the premium calculation are reflected in the questions asked, and the information provided by the Insured at the time of their enquiry or application for the insurance.

These include factors such as:

- the Sections of cover and any Optional Extensions requested;
- the type, Sum Insured or Market Value of each Insured Item;
- the age and driving experience of Your Operators;
- where and how each Insured Item is used;
- the type of loss covered;
- the place where Your Insured Item is stored when not in use; and
- Your previous insurance and claims history.

Premiums are subject to Commonwealth and state taxes and/or charges. These can include the Goods and Services Tax, emergency services levies and stamp duty. The amount of these taxes and/or charges will be shown on Your Policy Schedule.

The premiums for some Sections or Optional Extensions or Endorsements of the Policy are adjustable. The Insured will be required to pay a deposit premium based on estimated values provided at the commencement of the Policy. At the end of the Policy Period the Insured will be required to complete a declaration of the final actual values to enable Us to adjust the final premiums to apply. The difference must be paid by the Insured or will be refunded by Us.

Paying Your Premium

The Insured must pay the premium by the due date. If We do not receive the premium by this date or the payment is dishonoured, We may be entitled to cancel the Policy in accordance with the 'Cancelling The Policy' section.

Excesses

If You make a claim under the Policy, You may be required to pay one or more Excesses. The descriptions of these Excesses and the circumstances in which they are applied are shown in the Insurance Terms and Conditions under "Conditions applicable to all Sections" on pages 9 to 11, and on Your Policy Schedule.

The amount of all Excesses applicable to the Policy will be provided to the Insured before they agree to enter into a Policy with Us.

Dispute Resolution Process

We view seriously any complaint made about Our products or services and will deal with it promptly and fairly.

If You have a complaint please first try to resolve it by contacting the relevant member of Our staff.

They will seek to resolve the matter in accordance with the General Insurance Code of Practice and Our Dispute Resolution procedures.

You can contact Us if You want more information on Our procedures.

If You are not satisfied with the final decision, You may wish to contact the Australian Financial Complaints Authority (AFCA). The AFCA is a free independent external disputes resolution service provided to customers to review and resolve complaints where We have been unable to satisfy Your concerns, subject to its rules or terms of reference.

If the complaint is not covered by the AFCA scheme, We will advise You of other options for resolution that may be available to You.

Duty of Disclosure

Before the Insured enters into an insurance contract, they have a duty to tell Us of anything that they know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms. The Insured has this duty until We agree to insure You.

The Insured has the same duty before they renew, extend, vary, or reinstate an insurance contract.

The Insured does not need to tell Us anything that

- reduces the risk We insure You for;
- is of common knowledge;
- We know or should know as an insurer; or
- We waive the Insured's duty to tell Us about.

If the Insured does not tell Us something

If the Insured does not tell Us anything they are required to, We may cancel the contract or refuse or reduce the amount We will pay You if You make a claim, or both.

If their failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry.

The Code Governance Committee (CGC) is an independent body that monitors and enforces insurers' compliance with the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Us. Contact details are provided on the back cover of this PDS.

For more information on the Code Governance Committee (CGC) go to <https://insurancecode.org.au>

Financial Claims Scheme

In the unlikely event Allianz Australia Insurance Limited were to become insolvent and could not meet its obligations under this Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subjected to eligibility criteria. More information can be obtained from <http://www.fcs.gov.au>.

Goods and Services Tax (GST) Affects Payments We Make

The amount payable by the Insured for the Policy includes an amount for GST.

When We pay a claim, Your GST status will determine the amount We pay.

When You are:

- not registered for GST, the amount We pay is the Sum Insured, Limit of Liability, sub-limit or other limits of insurance cover including GST;
- registered for GST, We will pay the Sum Insured, Limit of Liability, or sub-limit or other limits or insurance and where You are liable to pay an amount for GST in respect of an Acquisition relevant to Your claim We will pay the GST amount.

The amount that We are liable to pay under the Policy will be reduced by the amount of any Input Tax Credit (ITC) that You are or may be entitled to claim for the supply of goods or services covered by that payment.

The Insured must advise Us of their correct Australian Business Number (ABN) and Taxable Percentage. The Taxable Percentage is Your entitlement to an ITC on Your premium as a percentage of the total GST on that premium. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of a claim is less than the applicable Sum Insured, Limit of Liability, sub-limit or the other limits applicable to the Policy, We will only pay the GST (less Your entitlement for ITC) applicable to the settlement. This means that if these amounts are not sufficient to cover the whole loss, We will only pay the GST relating to Our share of the settlement for the whole claim. We will pay the claim by reference to the GST exclusive amount of any supply made by any business of Yours which is relevant to the claim.

GST, ITC, and Acquisition all have the same meaning as given to those words or expressions in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and related or similar legislation, including any amendments to, delegated legislation thereof, or successor legislation (as applicable).

Our Agreement

Where We agree to enter into a Policy it is a contract between Us and the Insured (see the definition of “Insured” for details of who is covered by this term) and We will issue the Insured a Policy Schedule confirming cover. The information contained in the Policy Schedule sets out information such as the cover We have agreed to provide and the Policy Sums Insured or Limit of Liability or sub-limit.

Our agreement with the Insured (the Policy) will comprise this Policy wording, the Policy Schedule and any Endorsements We issue. When the Insured enters into the Policy they confirm and warrant that they have read or will read the Policy documents when provided to them. They should be read together and kept in a safe place.

Where We have agreed to enter into a Policy with the Insured and subject to the terms, conditions and exclusions of the Policy:

- We agree to provide the insurance cover set out in each of the Sections which is shown as “Insured” in the Policy Schedule, subject to the payment of or agreement to pay Us the premium set out in the current Policy Schedule;
- the insurance cover is in force for the Policy Period set out in the Policy Schedule, unless the Policy ends earlier in accordance with its terms or at law;
- We will cover You for the relevant covered loss, damage and liability occurring during that Policy Period; and
- We will not pay more than the Sum Insured or Limit of Liability or sub-limit for each Section which is shown as “Insured” in the Policy Schedule or as provided in the Policy.

Updating This PDS

We may need to update this PDS from time to time if certain changes occur when required and permitted by law. We will issue You with a new PDS or a supplementary PDS or other compliant document (for example Schedules, and/or endorsements) to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance We may issue the Insured with notice of this information in other forms or keep an internal record of such changes. You can get a paper or electronic copy free of charge by contacting Us using Our details provided in this document.

Part Two

Insurance Terms and Conditions

Conditions Applicable to All Sections

All Persons or Companies Bound by This Policy and Its Provisions

Any person or company entitled to any benefit under the Policy has the same obligations to Us under the Policy as the Insured.

We have the same rights, remedies and defences to a claim by that other person or company as We would have to a claim by the Insured, including but not limited to rights, remedies and defences relating to Your conduct.

Cancelling the Policy

- a) In addition to the "Cooling off period" detailed earlier, the Insured may cancel the Policy at any time by giving Us notice in writing in which case We will retain the pro rata premium for the time the Policy has been in force. We will not refund the administration fee or policy fee shown on the Policy Schedule or any Government taxes or duties We are unable to recover. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured for an Insured Item, no return of premium will be made for any unused portion of the premium.
- b) We may cancel the Policy pursuant to any right at law and as set out in the Insurance Contracts Act 1984 by giving the Insured written notice to that effect where the Insured has:
 - i) failed to comply with the duty of utmost good faith;
 - ii) failed to comply with the Duty of Disclosure at the time when the Policy was entered into;
 - iii) made a misrepresentation to Us during the negotiations for the Policy before We entered into the Policy;
 - iv) failed to comply with a provision of the Policy;
 - v) failed to pay the premium, or if the Insured is paying the premium by instalments where an instalment is overdue for a period of at least 1 month;
 - vi) made a fraudulent claim under the Policy or any other policy of insurance (whether with Us or some other insurer) that provided insurance cover during any part of the period during which the Policy provides insurance cover; or
 - vii) failed to notify Us of any specific act or omission where notification is required under the terms of the Policy.
- c) When We cancel the Policy it will have effect from whichever of the following times is the earliest:
 - the time when another policy of insurance replacing the Policy is entered into; or
 - 4 o'clock of the afternoon of the third business day after the day on which notice was given to You, (unless the Policy is in force because of Section 58 of the Insurance Contracts Act 1984 in which case the cancellation will have effect from 4 o'clock of the 14th business day after the day on which notice was given to the Insured).

- d) When We cancel the Policy We will repay a rateable proportion of the premium for the unexpired Policy Period from the date of cancellation. We will not refund the administration fee or policy fee shown on the Policy Schedule or any Government taxes or duties We are unable to recover. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured for an Insured Item, no return of premium will be made for any unused portion of the premium.

Changing Your Policy

If You want to make a change to the Policy, the change becomes effective when We agree to it, provided the Insured pays or agree to pay any additional premium We may require.

We give the Insured a new Policy Schedule detailing any changes We have agreed to.

Changes to Information Previously Advised

You must tell Us as soon as possible if circumstances occur, or if changes or alterations are intended or made which change the risk of loss, damage or injury covered under the Policy.

You must also tell Us as soon as reasonably possible if there is any change:

- a) to the names of the Insured Item's owners;
- b) of use of Your Insured Item(s); or
- c) by way of modification to the manufacturer's specifications to improve Your Insured Item's performance, but only if Your Insured Item is a sedan, station wagon, 4x4 or a goods carrying Insured Item with a carrying capacity under 2 tonnes.

Where the change:

- a) reduces the risk We insure You for We may (if applicable) provide the Insured with a refund of a portion of the premium where the change affects the premium payable; or
- b) increases the risk We insure You for We may either:
 - refuse to accept the change;
 - agree to the change in writing, provided that You pay or agree to pay Us any additional premium We may require;
 - cancel the Policy; or
 - choose not to renew a Policy.

If You do not advise Us of a change in circumstances We may be entitled to cancel the Policy or refuse to pay or reduce the amount We pay under a claim, to the extent We have been prejudiced by Your non-compliance and permitted by law.

Excess

Under Section One the applicable Excess(es) will apply to each Insured Item for each claim. If We settle Your claim by cash We will deduct the Excess from the amount We pay You. In other circumstances, You may need to pay the Excess as a contribution to the repair or replacement.

Under Section Two and Three the Excess reduces the amount that We are liable to pay under the Policy and We will not be liable to pay any claim, or part of a claim, that is less than the applicable Excess. We will deduct the applicable Excess(es) amount from the amount We pay, unless We agree alternative arrangements for payment of the Excess with You.

More than one Excess may apply at the same time.

There are several kinds of Excess:

- a) Standard Excess
- b) Age/inexperienced Excess
where the Operator or Driver of the Insured Item or vehicle was under 25 years of age or has not held an Australian driver's licence for two or more years for the type of Insured Item or Motor Vehicle.
- c) Tipping Excess
where the Insured Item is a rigid body tipper or tipping trailer whose tipping hoist is partially or fully extended, at the time of the accident, the Standard Excess and any other applicable Excess will be doubled.
- d) Special Excess
an Excess that applies to certain items or claims as provided in the Policy or as set out in the Policy Schedule.

Governing Law

The Policy will be governed in accordance with the laws of the Commonwealth of Australia. Any disputes arising out of the Policy will be subject to determination by any Court of jurisdiction within the State or Territory in which the Policy was issued and according to the laws applicable to that jurisdiction.

Inspection

We may inspect Your property, operations and examine any Insured Item, with Your mutual agreement, at any reasonable time to assess Your application for this insurance or to assess a claim. Neither this right to make inspections nor making them is an undertaking to You or others that the property, operations or Insured Items are safe and not hazardous or injurious to health.

Minimisation of Loss

You must take all reasonable precautions to prevent loss, damage or injury.

You must take reasonable steps to comply with all statutory requirements and manufacturers' recommendations relating to the safeguarding and operation of any Insured Item. We may reduce or refuse Your claim to the extent We are prejudiced by Your non-compliance.

If loss, damage or injury occurs, You must do all things reasonably possible to minimise the amount of any damage.

Authorisation

By acceptance of the Policy, the Insured agrees to act on behalf of You as well as itself with respect to the giving and receiving of notice of claim or cancellation, the payment of premiums and the receiving of any return premium due under the Policy, the negotiation, agreement to and acceptance of Endorsements, and the giving and receiving of any notice provided in the Policy, and You agree that the Insured shall act on Your behalf.

Neither We nor the Insured hold anything on trust for, or for the benefit or on behalf of You under this insurance arrangement.

The Insured does not:

- a) act on behalf of the Insurer or an eligible persons in relation to the insurance;
- b) is not authorised to provide any financial product advice, recommendations or opinions about the insurance; or
- c) receive any remuneration or other benefits from the Insurer.

Any person who may be insured under the Policy should consider obtaining advice as to whether the benefits are appropriate or useful for their personal needs from a person who is licensed to give such advice. No advice is provided by the Insurer or Insured that the benefits are appropriate or useful for any person's needs. Nothing prevents such persons from entering into other arrangements regarding insurance.

Notices

We will send all notices in relation to the Policy to:

- a) the Insured's nominated insurance intermediary until We receive written notice to the contrary from the Insured; or
- b) if there is no nominated intermediary, the Insured, acting on the behalf of You.

Any notice We give the Insured will be in writing, and it will be effective:

- a) if it is delivered to the Insured or their agent personally; or
- b) if it is delivered or posted to the Insured's address or the Insured's Agent's address last known to Us.

It is important for the Insured to tell Us of any change of address as soon as possible.

Other Insurances Covering the Same Claim

If a claim is made under any operative Section of the Policy, You must:

- a) inform Us as soon as reasonably possible; and
- b) provide Us with a copy of any other insurance policy that gives or may give You cover for the subject-matter of Your claim,

whether or not You are a contracting party to that other insurance policy and whether the other insurance policy was issued to You or to anyone else.

If You or another person or company are or, if a claim were made under the Policy, would be entitled to be covered for a claim under both the Policy and another insurance policy:

- i) the Excess will be whichever is the greater of the Excess specified in the Policy to apply to the claim and the amount of the claim that is covered by the other insurance policy;
- ii) We will cover only for the amount of the claim that exceeds the Excess in i), even if the other insurance policy has a condition to the same or similar effect as this condition; and

You and the other person or company must co-operate with Us and give Us all possible assistance We may reasonably require in obtaining contribution from the other insurer to any amount of the claim We are liable to pay.

Other Interests

You must not transfer any interests in the Policy without Our written consent. We will not unreasonably withhold Our permission.

Any person whose interests You have told Us about and We have noted on the Policy Schedule is bound by the terms of the Policy.

Premium Adjustment

When the premium for a Section or an Optional Extension in a Section in the Policy or an Endorsement is adjustable that premium is:

- a) calculated and payable at the beginning of the Policy Period on the basis of an estimated figure for the whole of the Policy Period, which You must declare to Us before the commencement of the Policy Period;
- b) adjusted at expiry of the Policy Period at the percentage rate specified in the Policy, the Policy Schedule or the Endorsement on the actual figure for the whole of the Policy Period, which You must declare to Us as soon as reasonably possible after expiry of the Policy Period. If You do not, We may reduce or refuse Your claim to the extent We are prejudiced by Your delay; and
- c) subject to the minimum non-refundable amount specified in the Policy, the Policy Schedule or the Endorsement.

Reinstatement of Sum Insured (Section One)

Following Insured Damage to any Insured Item or any part of any Insured Item, the Sum Insured in respect of the Insured Item will automatically be reinstated, provided that You pay or agree to pay Us any additional premium We require when We agree to reinstate any such amount.

The additional premium will be the same proportion of the premium for that Insured Item as the amount reinstated bears to the Sum Insured for the Insured Item reinstated.

Subrogation

In the event We are liable to cover You for any loss or liability under the Policy, We will be entitled to pursue the whole of Your legal rights to recover in respect of that loss or liability.

You will consent to us pursuing those rights and You must take reasonable steps to co-operate with Us fully in pursuing those rights.
