

Purpose built cover for technology users

First and Third Party Cyber Cover

We understand that no matter what industry your clients operate in, cyber poses one of their greatest risk. In fact, cybercrime is the world's fastest growing criminal activity and a responsive, up-to-date insurance policy is vital. With SURA Cyber, you can help protect your clients against a broad range of exposures with our First and Third Party Cyber Insurance Policy.

Core appetite

We will consider a wide range of sectors and assess each risk on an independent basis.
