Who We Insure (the Insured/You/Your)

We enter into the Policy with the person(s) or entity(ies) named in the Policy Schedule as the Insured (referred to as "You, "Your" or "Insured").

Certain persons or entities who are not contracting parties may be entitled to access cover by reason of the Insurance Contracts Act 1984 (Cth). See "Third Party Interests" for more detail.

No insurance is provided in relation to the interest of any persons other than You or a Third Party Beneficiary.

Your Duty of Disclosure

Before You enter into an insurance contract, You have a duty to tell Us of anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary, or reinstate an insurance contract.

You do not need to tell Us anything that:

- reduces the risk We insure You for;
- is of common knowledge;
- We know or should know as an insurer; or
- We waive Your duty to tell Us about.

If You do not tell Us something

If You fail to comply with Your Duty of Disclosure, and We would not have entered into the contract, for the same premium and on the same terms and conditions, had the failure not occurred, We may, subject to applicable law:

- be entitled to cancel Your contract or reduce the amount We will pay You if You make a claim, or both; or
- if Your failure to tell Us is fraudulent, refuse to pay a claim and treat the contract as if it never existed.

Subject to applicable law or unless we state otherwise, a breach of the duty by one insured affects all insureds in these ways.

Avoiding misrepresentations

Under the Insurance Contracts Act 1984 (Cth) You make a misrepresentation to Us before the insurance contract is entered into (this includes before each renewal, extension, variation, replacement or reinstatement of an insurance contract) and We would not have entered into the contract, for the same premium and on the same terms and conditions, had the misrepresentation not occurred, We may, subject to applicable law:

- be entitled to cancel Your contract or reduce the amount We will pay You if You make a claim, or both; or
- if Your misrepresentation was fraudulent, refuse to pay a claim and treat the contract as if it never existed.

Subject to applicable law or unless we state otherwise, a breach by one insured affects all insureds in these ways.

A misrepresentation includes a statement that is in any way false, misleading, dishonest or which does not fairly reflect the truth. For example, a statement of fact that is not true, a statement of opinion that is not the subject of an honestly held belief or a statement of intent that never existed at the time provided. We will not treat something as a misrepresentation merely because You failed to answer a question or gave an obviously incomplete or irrelevant answer to a question.

Refer to the Insurance Contracts Act 1984 (Cth) for full details as this is only a summary.

Answering Our questions

Answers to Our questions help Us decide whether to provide You with insurance and if so, on what terms. When answering Our questions:

- take reasonable care to make sure Your answers are true, honest, up to date and complete in all respects. You may breach the duty if You answer without any care as to its truth or if You only guess or suspect the truth. If in doubt, pause the application and obtain the true facts before answering; and
- if another person is answering for You, We will treat their answers as Yours. In such a case, You should check the questions have been answered correctly on Your behalf by them.

Please note that You have obligations beyond these pre contractual duty of disclosure and avoiding misrepresentation obligations once the contract is entered into, which are set out in the contract terms and applicable law.

Cooling Off Period

You have a cooling off period of twenty-one (21) days from the date we first issue Your Policy and also on any renewal.

During this period, You can return the Policy and receive a refund of Your premium provided You have not exercised any right or power under the Policy (e.g. made any claim) and these rights and powers have not ended.

We may deduct any reasonable administrative and transaction costs incurred by Us that are reasonably related to the acquisition and termination of the Policy and any amounts in relation to Government taxes or duties We cannot recover, from any refund amount.

In addition to Your cooling off period, You can cancel Your Policy at any time (See “Cancellation”).

General Advice Warning

Any advice about this insurance that We or SURA Motor Dealers give You is of a general nature. We do not consider Your individual objectives, financial situation or needs. It is up to You to choose the cover You need, and You should carefully read this document and any other documents that form part of the Policy before deciding whether this insurance is right for You.

Claims Made and Notified

Section 8 – Tax Audit and Section 9 Occupational Liability Additional Benefits are issued on a “claims made and notified” basis.

This means that those sections of the Policy cover claims that are first made against You (not claims You submit for cover under the Policy but claims, as defined in those sections, made against You by another person) and notified to Us during the Period of Insurance.

Where your Policy has an extended or additional reporting period, subject to the terms of the Policy, You may have:

- an additional period to tell Us about claims first made against You during the Period of Insurance; and/or
- cover for claims first made against You during the extended reporting period and which You tell Us about during the extended or additional reporting period – provided the claim is based on an act, error, or omission alleged to have been committed prior to the expiry of the Period of Insurance.

The Policy doesn’t cover facts or circumstances of which You first became aware prior to the Period of Insurance, and which You knew or ought reasonably to have known had the potential to give rise to a claim against You, subject to any continuity of cover term which may, subject to its terms, provide an exception to this.

If a retroactive date is applied or shown on the Schedule, the Policy also doesn’t cover claims arising directly or indirectly from any acts, errors, omissions, or events actually or allegedly occurring before that date. The above is only a high-level overview. You must refer to the Policy for full terms and conditions that apply.

Operation of section 40(3) of the Insurance Contracts Act 1984 (Cth)

This notice and explanation does not form part of and is not a term of the Policy.

However, if, during the Period of Insurance, You become aware of facts that might give rise to a Claim against You, Section 40(3) of the Insurance Contracts Act 1984 (Cth) provides You with an option to notify Us of those facts during the Period of Insurance. This is not a term of the Policy. If You give Us written notification of such facts during the Period of Insurance pursuant to Section 40(3), as long as You were not aware of such facts prior to the commencement of the Period of Insurance, the Policy will apply to a Claim (arising from those facts) made against You, even if the Claim is made against You after expiry of the Period of Insurance, subject to other terms, conditions and exclusions of the Policy.

For Your information, section 40(3) is detailed below:

“(3) Where the insured gave notice in writing to the insurer of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of the insurance cover provided by the contract.”

When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim

We may only ever refuse to pay or reduce the amount We pay under a claim (in whole or part) to the extent permitted by applicable law.

Some situations in which We may refuse to pay or reduce the amount We pay under a claim under the Policy (to the extent permitted by applicable law) include (but are not limited to):

- when You apply for cover (this includes new business, variations, extensions, reinstatements, and renewals) and do not comply with Your “Duty of Disclosure or “Avoiding Misrepresentations” obligations.
- if You do not comply with or meet a Policy term or condition or We can rely on an exclusion or other limitation (All referred to as “terms” when used in the Policy) – See “Our rights regarding the operation of or breach of a term of the Policy”.
- if You make a fraudulent claim – See “Fraudulent claims” for more detail.
- where You have not or are not acting in accordance with Your duty of utmost good faith under the Insurance Contracts Act 1984 (Cth) – See “Duty of Utmost Good Faith” for more detail.

We may also have cancellation rights in the above circumstances to the extent permitted by applicable law.

Subject to applicable law, the amount of any claim entitlement can also be affected and/or reduced by other things, including any limits (e.g. monetary or time limits) or Excess(es), any outstanding Premium and recoveries You or We might make relevant to a loss as set out in the Policy terms.

See “Our rights regarding the operation of or breach of a term of the Policy” for more detail.

Our rights regarding the operation of or breach of a term of the Policy

We will only rely on any rights We have regarding the operation of or breach of a term of the Policy to the extent permitted by applicable law (including Our right to refuse or reduce a claim if You do not comply with or meet a Policy term or condition or where an exclusion or other limitation applies). The law can be complex and We provide a high-level summary below of some key examples on how the Insurance Contracts Act 1984 (Cth) may affect matters depending on the circumstances. To the extent of any inconsistency the Insurance Contracts Act 1984 (Cth) will prevail.

Other laws can apply beyond the Insurance Contracts Act 1984 (Cth) such as the Corporations Act 2001 (Cth) and the Australian Securities and Investment Commissions Act 2001 (Cth) and You need to seek Your own advice regarding all relevant legal rights You may have.

Terms allowing Us to refuse to pay or reduce a claim (in whole or part) by reason of an act by You or some other person that occurred after the policy was entered into

Subject to Our rights in relation to fraudulent claims explained below, by reason of section 54 of the Insurance Contracts Act 1984 (Cth), where the effect of the Policy (this includes all terms or conditions, including any exclusion or other limitation) is to allow Us to refuse to pay or reduce a claim (in whole or part) by reason of an act by You or some other person that occurred after the Policy was entered into, We will exercise Our rights under the Policy as explained below (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Under section 54, an “act” by You or some other person includes an omission and inaction and an act or omission that has the effect of altering the state or condition of the subject-matter of the Policy or of allowing the state or condition of that subject-matter to alter.

How We exercise Our rights where section 54 applies (unless there is a fraudulent claim)

- Where:
 - the act was necessary to protect the safety of a person or to preserve property;
 - it was not reasonably possible for You or the other person not to do the act; or
 - You prove no part of the loss that gave rise to the claim was caused by the act,We will not refuse to pay or reduce the claim by reason only of that act.
- Where the act:
 - could not reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy; or
 - could reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy but You prove that some part of the loss that gave rise to the claim was not caused by the act, so far as it concerns that part of the loss,We may not refuse to pay or reduce the claim by reason only of that act, but We can reduce our liability in respect of the claim by an amount that fairly represents the extent to which Our interests were prejudiced as a result of that act.
- Otherwise, where the act could reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy, We may refuse to pay the claim.

(Refer to the Insurance Contracts Act 1984 (Cth) for full details.)

Terms allowing us to refuse or reduce a claim because of pre-existing defects or imperfections existing before the policy was entered into

Only where section 46 of the Insurance Contracts Act 1984 (Cth) is applicable to the Policy:

- where a claim is made in respect of a loss that occurred as a result, in whole or in part, of a defect or imperfection in a thing; and
- where at the time when the contract was entered into You were not aware of, and a reasonable person in the circumstances could not be expected to have been aware of, the defect or imperfection,

We may not rely on any provision included in the Policy that has the effect of limiting or excluding Our liability under the contract by reference to the condition, at a time before the Policy was entered into, of the thing. This does not apply if the Policy is in an excluded class to which section 46 does not apply.

(Refer to the Insurance Contracts Act 1984 (Cth) for full details.)

Terms allowing Us to refuse or reduce a claim because of a pre-existing sickness or disability existing before the policy was entered into

Only where section 47 of the Insurance Contracts Act 1984 (Cth) is applicable to the Policy:

- where a claim under the Policy is made in respect of a loss that occurred as a result, in whole or in part, of a sickness or disability to which a person was subject or had at any time been subject; and
- where, at the time when the contract was entered into, You were not aware of, and a reasonable person in the circumstances could not be expected to have been aware of, the sickness or disability,

We may not rely on a provision included in the Policy that has the effect of limiting or excluding Our liability under the Policy by reference to the sickness or disability to which You were subject at a time before the Policy was entered into (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Fraudulent claims

In all cases, where a claim is made fraudulently under:

- the Policy; or
- the Insurance Contracts Act 1984 (Cth) against Us by a person who is not You,

We may refuse payment of the claim to the extent permitted by applicable law. Under section 56(2) of the Insurance Contracts Act 1984 (Cth) a court may, if only a minimal or insignificant part of the claim is made fraudulently and non-payment of the remainder of the claim would be harsh and unfair, order Us to pay, in relation to the claim, such amount (if any) as is just and equitable in the circumstances (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Duty of Utmost Good Faith

The following can also (where applicable) affect Our and Your rights and obligations regarding the operation of, reliance on, or breach of a term of the Policy:

- section 13 of the Insurance Contracts Act 1984 (Cth) requires each party to the Policy to act towards the other party, in respect of any matter arising under or in relation to it, with the utmost good faith. The obligation also extends to third party beneficiaries as defined in the Act but only applies to them after the contract is entered into.
- section 14 of the Insurance Contracts Act 1984 (Cth) provides that if reliance by a party to the Policy on a provision of the Policy would be to fail to act with the utmost good faith, the party may not rely on the provision.

(Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Terms Apply to the Extent Enforceable

A term (or part of a term) of the Policy will be applied to the extent it is not unenforceable under applicable law.

Several Liability

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in the Policy Schedule.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with any other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various parts in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural. The insurers named hereon bind themselves each and for their own part and not one for another.

Each insurer's liability under this contract shall not exceed that percentage or amount of the risk shown against that insurer's name.

Sanctions

We shall not be deemed to provide cover and We shall not be liable to pay any claim or provide any benefit under this Policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us, Our parent company or Our ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the Commonwealth of Australia, United Kingdom or the United States of America.

Third Party Interests

The contracting insureds (the Insured) are the only parties to the Policy.

No insurance is provided in relation to the interest of any persons not specified as being entitled to access a benefit under the Policy.

The benefit of the cover under the Policy is extended automatically to Third Party Beneficiaries. They are not contracting parties and only access the benefit of cover by reason of the operation of section 48 of the Insurance Contracts Act 1984 (Cth). The following sets out how the Policy operates in relation to such persons (subject always to the operation of applicable law).

Access to cover only applies from the time they become a Third Party Beneficiary and ends when they are no longer a Third Party Beneficiary.

Nothing in the Policy is intended to give any such Third Party Beneficiaries any right to enforce any term of the Policy which that person would not have had but for the Insurance Contracts Act 1984 (Cth).

Their rights and obligations are subject to the operation of the Insurance Contracts Act 1984 (Cth) as it applies to such persons and other applicable law.

They:

- have, in relation to a claim, the same obligations to Us as they would have if they were the Insured; and
- may discharge the Insured's obligations in relation to the loss, damage or liability.

We also have the same defences to an action by such persons as We would have in an action by the Insured including, but not limited to, defences relating to the Insured's conduct (whether the conduct occurred before or after the Policy was entered into). Any exclusions applying to the Insured also apply to a Third Party Beneficiary claiming under the Policy.

Such persons have no right to cancel or vary the Policy or its cover – only the Insured (as the contracting party) and We can do this. If We cancel or vary the Policy or its cover, We do not need to obtain such persons' consent to do so.

We also do not provide any notices in relation to this insurance to such persons as they are not a contracting party to the Policy. We only send notices to the Insured who we have contractual obligations to under the Policy.

Neither We nor the Insured hold anything on trust for, or for the benefit or on behalf of any such persons under this insurance arrangement.

The Insured:

- does not act on Our behalf in relation to the insurance;
- is not authorised by Us to provide any financial product advice, recommendations or opinions about the insurance.

Any Third Party Beneficiary needs to read this document and other documents forming the Policy carefully to properly understand the benefits they have access to as non-contracting parties. The insurance cover is subject to the terms, conditions, limitations and exclusions of the Policy.

Any person who may be entitled to a benefit under the Policy should consider obtaining advice as to whether the benefits are appropriate or useful for their personal needs from a person who is licensed to give such advice. No advice is provided by Us or Our representatives that the benefits are appropriate or useful for any person's needs. Nothing prevents such persons from entering into other arrangements regarding insurance.

In some cases the Insured may specify loss payees We will make payments to (e.g. a financier).

Governing Law and Jurisdiction

The Policy is governed by the laws of Australia. Any dispute relating to this Policy shall be submitted to the exclusive jurisdiction of an Australian Court within the State or Territory in which the Policy was issued.

Cover Under More Than One Section

In relation to loss, damage or expense that may be covered under more than one section or benefits of this Policy, We will cover You under the section that provides the most favourable cover for the loss, damage or expense.

Our limit of liability is not increased because You are covered under more than one section and is limited to the limit of liability that applies to the most favourable cover.

Goods and Services Tax (GST)

The amount payable by You for this Policy includes an amount for GST.

When We pay a claim, Your GST status will determine the amount We pay.

The amount that We are liable to pay under this Policy will be reduced by the amount of any Input Tax Credit (ITC) that You are or may be entitled to claim for the supply of goods or services covered by that payment.

You must advise Us of Your correct Australian Business Number (ABN) and Taxable Percentage. Taxable Percentage is Your entitlement to an ITC on Your premium as a percentage of the total GST on that premium. Any GST liability arising from Your incorrect advice to us of Your ITC entitlement is payable by You.

Where the settlement of a claim is less than the applicable Limit of Liability or the other limits applicable to this Policy, We will only pay the GST (less Your ITC) applicable to the settlement. This means that if these amounts are not sufficient to cover the whole claim, We will only pay the GST relating to Our share of the settlement for the whole claim. We will pay the claim by reference to the GST exclusive amount of any supply made by any business of Yours which is relevant to the claim.

GST, ITC, BAS and Acquisition have the same meaning as given to those words or expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Notices

We will send Policy documents and Policy related communications and notices to Your nominated Intermediary representing You electronically, including by email. You must tell Us if Your Intermediary or contact details change. Subject to applicable law, You will be deemed to have received each electronic communication 24 hours from the time We send it.

Headings

Headings have been included for ease of reference and it is understood and agreed that the terms and Conditions of this Policy are not to be construed or interpreted by reference to such headings.

Further PDS information

This insurance contains cover which may or may not be provided to a retail client as defined under the Corporations Act 2001 (Cth) depending on the circumstances. Only the parts of this document (and any other documents forming part of the policy) that apply to cover provided to a retail client, will form the Product Disclosure Statement (PDS) for the purposes of the Corporations Act 2001 (Cth).

We may need to update the PDS from time to time if certain changes occur when required and permitted by law. We will issue You with a new PDS or a supplementary PDS or other compliant document (for example policy schedules, and/or endorsements) to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance We may issue You with notice of this information in other forms or keep an internal record of such changes. An electronic copy made available without charge by contacting Us using Our contact details in this document.

This PDS (together with any amendments, updates or endorsements, or Supplementary PDSs that We give You in writing which may vary it when required or permitted by law) will also apply for any offer of renewal We make, unless We tell You otherwise or issue You with a new and updated PDS.

If You do not have the confirmation of transaction details required by section 1017F of the Corporations Act 2001 (Cth) in relation to the Policy, it is a Policy Term that such information will be provided via Our confirmation facility which is available by contacting Us using Our contact details.

Policy Interpretation

Headings are for convenience only and do not affect interpretation; and unless the context indicates a contrary intention:

- a reference to a statute includes its delegated legislation and a reference to a statute or delegated legislation or a provision of either includes consolidations, amendments, successors, re-enactments and replacements thereof;
- a word importing the singular includes the plural (and vice versa);
- a word indicating a gender includes every other gender;
- the words “include”, “including”, “for example”, “particularly” or “such as” or equivalent are not used as, nor are they to be interpreted as, words of limitation, and, when introducing an example, do not limit the meaning of the words to which the example relates to that example or examples of a similar kind;
- any examples provided are subject always to the Policy terms and applicable law; and
- a reference to “\$” or “dollar” is to Australian currency.

This Policy may not match Your expectations

This Policy may not match Your expectations (for example, because an exclusion applies). You should read this policy wording and the Policy terms and conditions carefully. Please ask Your broker if You are unsure about any aspect of this Policy.

Excess

If You make a claim, You may be required to pay or bear one or more Excesses. The description of these Excesses and the circumstances in which they are applied are set out in this Policy Wording and other documents forming the Policy.

The amount of Excess applying to each section is shown on Your Schedule.

If You don't pay the Excess to Us or as We direct, We may deduct the Excess from the amount We pay for any claim. The relevant Limit of Liability we pay up to is less any applicable Excesses, unless We expressly state otherwise.

Preventing Our rights of recovery

You must not enter into any agreement, make any admissions or take any action or step that has the effect of limiting or excluding Your rights or Our rights to recover Your Loss without first obtaining Our approval in writing to do so.

If another person, corporation or entity is, or could have been, liable to compensate You for any Loss, Damage or legal liability otherwise covered by the Policy, but You have agreed with that person either before or after the Loss, Damage or legal liability occurred that You would not seek to recover any moneys from that person, We will not cover You under the Policy for any such Loss, Damage or legal liability.

The following only apply to the extent relevant and subject to applicable law which may restrict Our rights in certain circumstances. For more detail on these restrictions see “When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim”.

(5) You are not bound to actually rebuild any Building destroyed but may purchase an alternative existing Building to replace that which was destroyed. Such replacement is deemed to constitute rebuilding for the purpose of the cover under this section. However, We are not liable to make any payment beyond the cost that would have been incurred had the Building that was destroyed been rebuilt.

The following provisions apply to this condition (5):

- a) the work of rebuilding, replacing, repairing or restoring as the case may be (which may be carried out upon any other site(s) and in any manner suitable to Your requirements, but subject to Our liability not being increased), must be commenced and carried out without unreasonable delay. If not, We will not be liable to make any payment greater than the Replacement Value of the Damaged property at the time of the happening of the Damage.

- (1) the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index; and

In arriving at the amount payable under (1) and (2) above, any payments made by Us will include the extra cost of reinstatement, including demolishing or dismantling Your property that is necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made under it or any By-Law or Regulation of any municipal or other statutory authority.

Each Event is deemed to have commenced on the first happening of any such Damage.

The relevant Limit of Liability we pay up to is less any applicable Excesses.

Conditions

The following conditions apply to Section 1A:

Co-insurance

if:

- (1) at the time of the claim, the declared value of Your Insured Property was less than 85% of the actual value of Your Insured Property; and
- (2) at the commencement of the Period of Insurance, the declared value of Your Insured Property was insured for less than 85% of the actual value of Your Insured Property,

then We will pay the same proportion of the Loss which Your declared value of Your Insured Property bears to 85% of the actual value of Your Insured Property.

The following sets out the operation of this clause:

Claim payment = Claim amount x $\frac{\text{Declared value of Your Insured Property}}{85\% \text{ of the actual value of Your Insured Property}}$

This condition does not apply if the relevant claim does not exceed 5% of the amount of the declared value of Your Insured Property.

The conditions on page 55 also apply to cover under Sections 1A. Other Conditions also apply under the Policy terms. See for example, “General Conditions Applying to All Sections”.

Exclusions

See “Exclusions” on pages 55 and 64 – 66 for exclusions applying to cover under Sections 1A and 1B. Other exclusions also apply under the Policy terms. See for example, “General Exclusions”.

Section 1B – Industrial Special Risks – Consequential Loss

The following only apply to the extent relevant and subject to applicable law which may restrict Our rights in certain circumstances. For more detail on these restrictions see “When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim”.

Eligibility Criteria

You must take out cover under Section 1A of the Policy in order to be eligible for any cover under this Section 1B of the Policy.

The Cover

In the event of Insured Property used by You at the Premises for the purpose of the Business being Damaged and that Damage is covered under Section 1A We will cover You for the types of loss set out in this Section 1A resulting from such interruption or interference with the Business carried on by You, as a consequence of that Damage.

What We Cover

The following sets out the types of losses covered and how We will calculate a payment that We make to You under this Section 1B:

Gross Profit

We will pay for Your loss of Gross Profit due to:

- (1) reduction in Turnover; and
- (2) increase in cost of working.

The amount payable is:

- (1) in respect of reduction in Turnover:
 - the sum produced by applying the Rate of Gross Profit to the amount by which the Turnover during the Indemnity Period shall, in consequence of the Damage, fall short of the Standard Turnover.
- (2) in respect of increase in cost of working:
 - a) the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in Turnover which, but for that expenditure, would have taken place during the Indemnity Period in consequence of the Damage, but not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction avoided;
 - b) less any sum saved during the Indemnity Period in respect of such of the charges and expenses of the Business payable out of Gross Profit as may cease or be reduced in consequence of the Damage.

However, if at the time of the claim, the declared value of Your Gross Profit was less than 85% of the actual value of Gross Profit at the commencement of the Period of Insurance, then We will pay the same proportion of the loss which Your declaration of the Gross Profit bears to 85% of the actual Gross Profit.

The following sets out the operation of this clause:

$$\text{Claim payment} = \text{Claim amount} \times \frac{\text{Gross Profit declared}}{85\% \text{ of the actual Gross Profit}}$$

This condition does not apply if the relevant claim does not exceed 5% of the amount of Your declaration of Gross Profit.

If the Schedule sets out that cover is limited to parts and service activities only, the amount We will pay for loss of Gross Profit under this condition is the Gross Profit calculated based only on amounts (less discounts, if any) paid or payable to You for goods sold and delivered and for services rendered, other than for the sale of Vehicles, in the course of the Business at the Premises.

If the Business is conducted in departments the independent trading results of which are ascertainable, these provisions apply separately to each department affected by the Damage.

Payroll

We will pay for Your loss of Gross Profit due to Payroll in accordance with the provisions below.

The amount payable is:

- (1) in respect of reduction of Turnover:
 - a) during the portion of the Indemnity Period beginning with the occurrence of the Damage and ending not later than the number of weeks specified in the Schedule after that, the sum produced by applying the Rate of Payroll to the Shortage In Turnover during the said portion of the Indemnity Period less any saving during that portion of the Indemnity Period through reduction in the amount of Payroll paid as a consequence of the Damage; and
 - b) during the remaining portion of the Indemnity Period, the sum produced by applying the Rate of Payroll to the Shortage In Turnover during the remaining portion of the Indemnity Period less any saving during that remaining portion of the Indemnity Period, through reduction in the amount of Payroll paid in consequence of the Damage; but not exceeding the sum produced by applying the percentage of the Rate of Payroll specified in the Schedule to the Shortage In Turnover during the remaining portion of the Indemnity Period, increased by such amount as is deducted for savings under the terms of clause (a) above.
 - c) at Your option, the number of weeks referred to in clause (a) above may be increased to the number of weeks specified in the Schedule under the heading Consolidated Period. However, the amount arrived at under clause (b) shall not exceed such amount as is deducted under clause (a) for savings effected during the said increased number of weeks.
- (2) in respect of increase in cost of working:

The additional expenditure described in clause (2) of Gross Profit that exceeds the amount payable under it, but not more than the additional amount which would have been payable in respect of reduction in Turnover under the provisions of clauses (a) and (b) of this Payroll had such expenditure not been incurred.

However, if at the time of the claim, the declared value of Your Payroll was less than 85% of the actual value of Payroll at the commencement of the Period of Insurance, then we will pay the same proportion of the Loss which Your declaration of the Payroll bears to 85% of the actual Payroll.

The following sets out the operation of this clause:

$$\text{Claim payment} = \text{Claim amount} \times \frac{\text{Payroll declared}}{85\% \text{ of the actual Payroll}}$$

This condition does not apply if the relevant claim does not exceed 5% of the amount of Your declaration of Payroll.

If the Schedule sets out that cover is limited to parts and service activities only, the amount We will pay for loss of Gross Profit under this condition is the Gross Profit calculated based only on amounts (less discounts, if any) paid or payable to You for goods sold and delivered and for services rendered, other than for the sale of Vehicles, in the course of the Business at the Premises.

If the Business is conducted in departments the independent trading results of which are ascertainable, these provisions apply separately to each department affected by the Damage.

Additional increase in cost of working

We will pay for the additional increase in cost of working (not otherwise recoverable under this section) necessarily and reasonably incurred during the Indemnity Period as a consequence of the Damage for the purpose of avoiding or diminishing reduction in Turnover or resuming or maintaining normal Business operations or services.

The most We will pay for Your additional increase in cost of working is the Limit of Liability set out in the Schedule for “Additional Increased Cost of Working”.

Excess

You must pay or bear any Excess that applies to a claim under this section for any Event. The Excesses that apply to this section will be set out in the Schedule.

For the purpose of the application of any Excess, Damage resulting from earthquake or Weather Peril occurring during each period of 72 consecutive hours is considered as one Event whether the earthquake or Weather Peril is continuous or sporadic in its sweep or scope and the Damage was due to the same seismological disturbance or Weather Peril Each Event is deemed to have commenced on the first happening of any such Damage.

If You don’t pay the Excess(es) to Us or as We direct, We may deduct the Excess(es) from the amount We pay in relation any claim. The relevant Limit of Liability We pay up to is less any applicable Excess(es).

Limit of Liability

The maximum We will pay for any Event in the Period of Insurance is the Limit of Liability specified in the Schedule for this Section 1B.

Turnover/Output alternative

At Your option, the term Output can be substituted for the term Turnover in Section 1B.

Output means the sale value of goods manufactured or processed by You in course of the Business at the Premises. If You choose this substitution, the clause “Turnover elsewhere after damage” (see “Conditions” on page 63) is amended to read as follows:

If during the Indemnity Period goods are manufactured or processed other than at the Premises for the benefit of the Business, either by You or by others on Your behalf, the amounts received or receivable in respect of sale or invoice value of those goods will be brought into account in arriving at the output during the Indemnity Period.

Diminished Value Allowance (DVA)

At Your option, We will substitute the following as the method We will use to calculate the amount We will pay You under “Gross Profit” in connection with Loss or Damage to Your Vehicles that are stock and not a Total Loss:

(1) New Vehicles

- a) if the Selling Price is \$60,000 or greater:
 - i. if Damage is \$800 or less, then allow cost of repairs as DVA.

This cover applies in addition to the Limit of Liability for this Section 1B.

Utilities extension

This additional benefit only applies to Damage that would have been covered under Section 1A (other than under the additional benefits or optional covers) if such Damage had been to Insured Property under that section.

However, this will not apply to any Loss during the 48 hours immediately following the Damage.

Optional Covers

If You have cover under this section, You can choose to add any of the following optional covers to Your Policy. The options that You have chosen to add to Your Policy will be set out in the Schedule.

These optional covers set out below are subject to the terms and conditions of this Policy, including the Limits of Liability, unless otherwise stated.

Rent receivable

Under this option, We will cover You for loss of rent receivable (including amounts due for services rendered and recoverable expenses that are directly related to collecting such rent) resulting from such interruption or interference covered by this Section 1B.

The amount We will pay You under this optional cover is the amount by which rent (including amounts for services rendered and recoverable expenses that are directly related to collecting such rent) received or receivable during the Indemnity Period falls short of the amount which it may be reasonably estimated would have been received during that period had the Damage not occurred.

We will also pay the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of rent (including amounts for services rendered and recoverable expenses that are directly related to collecting such rent), less any sum saved during that period in respect of the charges or expenses payable out of rent as may cease or be reduced as a consequence of the Damage.

The most We will pay under this optional cover is the Limit of Liability set out in the Schedule for "Rent Receivable".

This optional cover only applies to Damage that would have been covered under Section 1(A) (other than under the additional benefits or optional covers) if such Damage had been to Insured Property under that section.

The most We will pay under this optional cover is the Limit of Liability set out in the Schedule for "Customer's Premises".

The most We will pay under this optional cover is the Limit of Liability set out in the Schedule for "Supplier's Premises".

Conditions

The following conditions apply to Section 1B.

Turnover elsewhere after damage

If during the Indemnity Period goods are sold or services are rendered other than at the Premises for the benefit of the Business, either by You or by others on Your behalf, the amounts received or receivable in respect of those sales or services will be brought into account in arriving at the Turnover during the Indemnity Period.

Accumulated stocks

In adjusting any Loss, account will be taken, and equitable allowances made, if there is a Shortage in Turnover due to the Damage postponed by reason of the Turnover being temporarily maintained from accumulated stocks of finished goods.

Books of account

Any particulars or details contained in Your books of account or other business books or Documents which may be required by Us for the purpose of investigating or verifying any claim under this section must, be produced and certified by Your auditors or accountants. An auditors' or accountants' certificate will be evidence of the particulars and details to which such certificate relates.

For this condition, Shortage in Turnover means:

the amount by which the Turnover during a period (less the Turnover for the period of the salvage sale) will, as a consequence of the Damage, fall short of the part of the Standard Turnover which relates to that period, from which will be deducted the Payroll paid during the period of the salvage sale.

The conditions on pages 57 and 68 – 70 also apply to cover under Sections 1A and 1B.

on the happening of any loss or Damage in respect of which a claim is or may be made under this Policy, We and every person authorised by Us may, without incurring any liability and without diminishing Our right to rely upon any conditions of this Policy, enter, take or keep possession of any Building or premises (where appropriate for legal or safety reasons) where the loss or Damage has happened and may take possession of or require to be delivered to Us any of the Damaged Insured Property and may keep possession of and deal with such Damaged property for all reasonable purposes and in any reasonable manner.

For the purposes of this clause, a controlling interest will mean, in the case of a company, the acquisition of shares carrying more than 50% of votes capable of being cast at a general meeting of ordinary shareholders in such company.

Automatic reinstatement

when We pay a claim under Section 1A or 1B (or any other benefit or cover included in these sections), the Limit of Liability will be automatically reinstated if You agree to pay Us the additional Premium that We require.

However, nothing in this clause will increase the Limit of Liability for any one claim, Event or Occurrence.

Progress payments

progress payments on account of any claims may be made to You at such intervals and for such amounts as is agreed. Any progress payments will be deducted from total amount payable for any claim.

Subrogation waiver

We agree to waive any rights and remedies or relief to which We may become entitled by way of subrogation against:

You must undertake the regular maintenance of these installations in accordance with the Australian standards current at time of the inception of the Policy.

Notice of all alterations, additions and maintenance to the automatic sprinkler installation must be given by You to Us as soon as reasonably practicable.

Once You notify Us of any changes to the sprinkler installations, We will decide (not to be unreasonably withheld) if We will agree to continue to insure You under this Policy, and on what terms. We may charge You additional Premium to continue to insure You. If We decide to cancel Your Policy, subject to the Cancellation clause, We will provide You with 3 business days prior notice.

Claim Calculation Conditions

Reinstatement or replacement

This condition applies to reinstatement or replacement of Buildings, machinery, plant and all other property, unless stated otherwise in this Section 2.

We will pay the cost of reinstatement of Insured Property at the time of its reinstatement, subject to the Limit of Liability, based on the following:

- (1) where property is lost or destroyed:
 - a) in the case of a Building, the rebuilding of it to a condition equal to, but not better or more extensive than, its condition when new; or
 - b) in the case of property other than a Building, the replacement of it by similar property of a condition equal to, but not better or more extensive than, its condition when new.
- (2) where property is Damaged, the repair of the property to a condition substantially the same as, but not better or more extensive than, its condition when new.
- (3) if We elect or become bound to reinstate or replace any property, You must, at Your own expense, produce and deliver to Us all plans, Documents and information as We may reasonably require. We will not be bound to reinstate exactly or completely, but only as circumstances permit and in reasonably sufficient manner and will not in any case be bound to expend more than the Limit of Liability.
- (4) You may, at Your option, rebuild or replace the Damaged or destroyed Building in a different shape or form.

However, our Limit of Liability will apply.

- (5) You are not bound to actually rebuild any Building destroyed but may purchase an alternative existing building to replace that which was destroyed. Such replacement is deemed to constitute reinstatement for the purpose of the cover under this section. However, we are not liable to make any payment beyond the cost that would have been incurred had the Building that was destroyed been rebuilt.

The following provisions apply to this condition (5):

- a) the work of rebuilding, replacing, repairing or restoring as the case may be (which may be carried out upon any other site(s) and in any manner suitable to Your requirements, but subject to our liability not being increased), must be commenced and carried out with reasonable dispatch. If not, we will not be liable to make any payment greater than the Replacement Value of the damaged property at the time of the happening of the Damage.
- b) when any Insured Property to which this condition applies is damaged in part only, our liability will be limited to the sum representing the cost to reinstate the property (in accordance with this condition) as if it had been wholly destroyed.
- c) no payment beyond the amount which would have been payable under this Policy will be made by Us until a sum equal to the cost of reinstatement has been actually incurred. However, where You reinstate or replace any lost or destroyed property at a cost which is less than the cost of reinstatement (as defined in this condition) but greater than the value of such property at the time of Damage, then the cost so incurred will be deemed to be the cost of reinstatement.
- d) all other industrial special risks or fire and named perils insurance covering the property effected by You or on Your behalf must be on a similar reinstatement basis.

Extra cost of reinstatement

This condition applies to reinstatement or replacement of Buildings, machinery, plant and all other property and contents, unless stated otherwise in this Section 2.

We will pay the extra cost of reinstatement (including demolition or dismantling) of damaged property necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made under it or any By-Law or Regulation of any municipal or other statutory authority, subject to the Limit of Liability.

The following provisions apply to this condition:

- (1) the work of reinstatement (which may be carried out wholly or partially upon any other site(s), if the requirements of the relevant Act, Regulation or By-Law require), must be commenced and carried out with reasonable dispatch, failing which we shall not be liable to make any payment beyond the amount which would have been payable under this Policy without reference to this condition.
- (2) the amount payable does not include the additional cost incurred in complying with any such Act, Regulation, By Law or requirement which You have been required to comply with prior to the happening of the Damage.
- (3) co-insurance does not apply to this condition.
- (4) all other industrial special risks or fire and named perils insurances covering the property effected by or on Your behalf must be on a similar basis.
- (5) if the cost of reinstatement of the Damage under this condition is less than 50% of that which would have been the cost of reinstatement of the Insured Property if such property had been totally destroyed, the amount payable under this condition is limited to the extra cost of reinstatement necessarily incurred in reinstating only that damaged portion.

Floor space ratio index (plot ratio)

If any Building is a Total Loss and, as a result of the exercise of statutory powers or authority by any government department, local government or any other statutory authority, reinstatement of that Building is only permissible subject to a reduced floor space ratio index, We agree to pay (in addition to any amount payable on reinstatement of that building) the difference between:

- (1) the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index; and
- (2) the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable.

In arriving at the amount payable under (1) and (2) above, any payments made by Us will include the extra cost of reinstatement, including demolishing or dismantling Your property that is necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made under it or any By-Law or Regulation of any municipal or other statutory authority.

Any payment made for the difference between (1) and (2) above will be made as soon as the difference is ascertained upon completion of the rebuilding works and certified by the architect acting on Your behalf in the reinstatement of the Building.

Excess

You must pay or bear any excess that applies to a claim under this section for any Event. The Excess(es) that apply to the different covers chosen by You in this section will be set out in the Schedule.

If You don't pay the Excess(es) to Us or as We direct, We may deduct the Excess(es) from the amount We pay in relation any claim. The relevant Limit of Liability We pay up to is less any applicable Excess(es).

Limit of Liability

The most we will pay under:

- (1) Section 2(A) is the Limit of Liability per Event as set out in the Schedule for theft and any optional cover selected;
- (2) Section 2(B) is the Limit of Liability per Event as set out in the Schedule for money;

If such salvage is not disposed of by sale, then the Damage will be assessed at the value agreed between You and Us after brands, labels or names have been removed by or on Your behalf.

Our rights

on the happening of any loss or Damage in respect of which a claim is or may be made under this Policy, We and every person authorised by Us may, without incurring any liability and without diminishing Our right to rely upon any conditions of this Policy, enter, take or keep possession of any building or premises (where appropriate for legal or safety reasons) where the loss or Damage has happened and may take possession of or require to be delivered to Us any of the Damaged Insured Property and may keep possession of and deal with such Damaged property for all reasonable purposes and in any reasonable manner.

Automatic reinstatement

when we pay a claim under Section 2, the applicable Limit of Liability will be automatically reinstated if You pay Us the additional Premium that we require.

However, nothing in this clause will increase the Limit of Liability for any one claim, or occurrence.

Progress payments

progress payments on account of any claims may be made to You at such intervals and for such amounts as is agreed. Any progress payments will be deducted from total amount payable for any claim.

- (2) You must declare to Us in writing within 30 days after the expiry of the Period of Insurance the value of Insured Property on the day of expiry of the Period of Insurance. For the purpose of this declaration, stock-in-trade and merchandise are taken at its average value during the Period of Insurance.

Other conditions also apply under the Policy terms. See for example, "General Conditions Applying to All Sections".

Section 3 – Hail Damage To Vehicles

The following only apply to the extent relevant and subject to applicable law which may restrict Our rights in certain circumstances. For more detail on these restrictions see “When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim”.

The Cover

We will cover You for Damage to Your Vehicles caused by Hail at the Premises in the Period of Insurance.

Definitions

The following definitions apply to this section:

Improved Value

means the amount expended by You in preparing a Vehicle for sale including repair costs and the cost of replacement parts and Accessories.

Wholesale Market Value

Your Vehicles do not include caravans or Customer’s Vehicles.

Basis of Settlement

The following sets out how We will calculate a payment for Damage to any Vehicle covered under this section:

- (1) unless a more specific calculation method is set out below, the cost of the repair or replacement of the Vehicle.
- (2) Loss of or Damage to new Vehicles in respect of which Loss or Damage not insured under Your Dealer Floor Plan Agreements:
 - a) Total Loss – the replacement cost of the Vehicle, (including options, Accessories, tools and spare parts) or if not replaced, the Stock Card Value of the Vehicle, with no allowance for dealer margin or profit.

- b) Partial Loss – the cost to repair the Vehicle (including options, Accessories, tools and spare parts). If You repair the vehicle, We will pay labour costs based on Your recognised labour rates. If You supply the parts and Accessories the amount, We will pay for such parts and Accessories will be the cost to You plus 15%.
- (3) on New Vehicles subject to Your Dealer Floor Plan Agreements, the amount in excess of the amount recoverable under such agreement and any Improved Value at the time of the Damage, limited to Your equity in such Vehicles. This does not include any difference in Excesses under Your Dealer Floor Plan Agreements and this section.
- (4) on spare parts and Accessories of new Vehicles, the cost of repair or replacement provided that if the parts and or Accessories are supplied by You, the amount We will pay shall be Your cost of parts and Accessories plus 15%, plus the reasonable cost of fitting.
- (5) Loss or Damage to used Vehicles in respect of which Loss or Damage not insured under Your Dealer Floor Plan Agreements:
 - a) Total Loss – the sum of the actual price paid by You plus all direct expenditure subsequently incurred in the preparation and improvement of the Vehicle for resale (with no allowance for profit or other expenses) or Market Value, whichever is the lesser.

- (6) on used Vehicles subject to Your Dealer Floor Plan Agreements, the amount in excess of the amount recoverable under such agreement and any Improved Value at the time of the Damage, limited to Your equity in such Vehicles. This does not include any difference in Excesses under Your Dealer Floor Plan Agreements and this section.
- (7) on spare parts and Accessories of used Vehicles, the cost of repair or replacement provided that if the parts and or Accessories are supplied by You, the amount We will pay shall be Your cost of parts and or Accessories, plus 15%, plus the reasonable cost of fitting.
- (8) on leased Vehicles (residual value), on Vehicles under a lease agreement that is a Total Loss, the payout sum under the lease agreement, if it is greater than an amount that otherwise applies under this section.

However, We will not pay more than the cost to repair or replace that Vehicle, plus 10% of that amount.

Excess

You must pay or bear any Excess that applies to each Vehicle and for each Event covered by this section. The Excesses that apply will be set out in the Schedule.

If You don't pay the Excess(es) to Us or as We direct, We may deduct the Excess(es) from the amount We pay in relation any claim. The relevant Limit of Liability We pay up to is less any applicable Excess(es).

- (2) if You have had continuous Hail cover for Your Vehicles with Us or another insurer when You first take out cover under this section.

The following sets out the operation of this clause:

$$\text{Claim payment} = \text{Claim amount} \times \frac{\text{Wholesale Market Value declared}}{80\% \text{ of the actual Wholesale Market Value}}$$

This condition does not apply if:

- (1) the relevant claim does not exceed 5% of the amount of Your declaration of the Wholesale Market Value of Your Vehicles; or

Acquired companies

This section extends to cover vehicles located in Australia belonging to companies and other organisations in which You acquire a controlling interest during the period of insurance provided that:

- (3) on new Vehicles subject to Your Dealer Floor Plan Agreements, the amount in Excess of the amount recoverable under such agreement and any improved value at the time of the Damage, limited to Your equity in such Vehicles. This does not include any difference in Excesses under Your Dealer Floor Plan Agreements and this section.

- (4) Loss or Damage to used Vehicles not insured under Your Dealer Floor Plan Agreements:
- a) Total Loss – the sum of the actual price paid by You plus all direct expenditure subsequently incurred in the preparation and improvement of the Vehicle for resale (with no allowance for profit or other expenses) or Market Value, whichever is the lesser.

Claims Conditions

The following only apply to the extent relevant and subject to applicable law which may restrict Our rights in certain circumstances. For more detail on these restrictions see “When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim”.

The following claims conditions are applicable to this section of the Policy:

Notification

the Insured must give Us notification of any Claim made against You, Discovery of any Fidelity Loss, any Business Crisis Event or any Loss, as soon as reasonably practicable within the Period of Insurance or within any applicable extended reporting period at the claims notification address or email address specified in the Schedule.

Each notification of a Claim or Policy Claim must include so far as practicable:

- (1) the identity of the claimant or potential claimant;
- (2) the nature of the Claim or Policy Claim; and
- (3) the likely quantum of the Loss, Fidelity Loss or Business Crisis Consultant Fees, as the case may be.

Each notification of a Claim or Policy Claim must include affirmative proof duly sworn, with full details of the Money, Securities or Covered Property involved.

The Insured must provide Us with such further relevant information and documentation as We may reasonably require in relation to any Claim or Policy Claim, including in relation to any precontractual disclosures or representations.

Co-operation

in the event of a Claim, Policy Claim, Business Crisis Event or Loss, You will at all times and at Your own cost provide Us with all relevant information, evidence, documentation, assistance and co-operation as we may reasonably require as soon as reasonably practicable and will execute such documents, including signed statements and affidavits, which We reasonably request.

We will at all times and at our own cost use reasonable endeavours to do and concur in doing everything as soon as reasonably practicable to avoid or diminish Loss and to assist with the defence, investigation or settlement of any Claim, Policy Claim or Business Crisis Event.

We may make any investigation We deem reasonably necessary in relation to any Claim or Policy Claim.

Claims conduct

We are entitled to take over and conduct in Your name the defence or settlement of any Claim and will have full discretion in the conduct of any proceedings and in the settlement of any Claim.

We will act reasonably having regard to Your interests and will keep You informed if You ask Us to.

We reserve entirely Our rights under this Policy, including Our right to agree or deny cover while We assess a Claim or conduct the defence. Our rights under this Policy are not affected if We do not conduct the defence.

Neither You nor Us will be required to contest or litigate any Claim if, in the opinion of Senior Counsel, reasonable attempts should be made to settle the Claim. The Senior Counsel shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the New South Wales Bar Association. The cost to obtain the opinion will be advanced by Us and treated as Defence Costs.

Senior Counsel shall provide the opinion in writing. In formulating the opinion, Senior Counsel shall consider commercial matters including the amount of the Claim, the actual and potential loss (including Defence Costs) that may reasonably be incurred in contesting the Claim, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful. Senior Counsel shall also provide a settlement range within which reasonable attempts should be made to settle the Claim.

If it is the opinion of Senior Counsel that reasonable attempts should be made to settle the Claim, You shall not object to Our attempt to do so.

Settlement

You must not settle or offer to settle any Claim, incur any Defence Costs, or Representation Expenses or otherwise assume any contractual obligation or admit any liability in respect of any Claim without our prior written consent.

If You object to a proposal by Us to settle or compromise any Claim payable under this Policy and wish to contest or litigate the matter, then You must tell Us in writing as soon as reasonably practicable, but no later than 30 days. However, Our liability in respect of any such Claim so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by Us, together with Defence Costs payable in accordance with the terms of this Policy and incurred up to the time of such election.

Basis of valuation of Fidelity Loss

Securities

In respect of Fidelity Loss of Securities, We will not be liable for more than the actual market value of the Securities at the close of business on the business day immediately preceding the day on which the Fidelity Loss was Discovered or the actual cost of replacing the Securities, whichever is less, plus the cost of posting any required lost instrument bond (which cost will be paid by Us on Your behalf).

The Indirect or Consequential Loss exclusion does not apply to the calculation of Fidelity Loss of Securities.

Covered Property

In respect of Fidelity Loss of Covered Property, We will not be liable for more than the Actual Cash Value of Covered Property at the time of Fidelity Loss or the actual cost of repairing or replacing the Covered Property with property of similar quality or value whichever is the lesser.

Allocation of Loss

this claims condition applies to any part of any Loss resulting from a Claim which is in respect of:

- (1) You singly;
- (2) You, jointly or severally; or
- (3) You, singly, jointly or severally and one or more persons or entities who is or are not You, whether jointly or severally,

and which is partly covered and partly not covered under this Policy, (together "Loss to be Allocated").

You must determine a fair and reasonable allocation of the covered part of the Loss to be allocated among the relevant parties forming part of You.

Any allocation of Loss will not apply to or create a presumption with respect to the allocation of other Loss on account of such Claim.

Subrogation and recoveries

Preservation of rights of recovery

You will take all reasonable steps to preserve Your rights of recovery. You will not, without Our prior consent in writing:

- (1) release, agree not to sue on, waive or prejudice, any such rights; or
- (2) enter into any arrangement or compromise or do any act whereby any rights or remedies to which We would be subrogated are or may be prejudiced.

Provision of information and assistance

You agree to provide Us with all relevant information, evidence, documentation, assistance and co-operation and to execute such documents, including signed statements and affidavits as soon as reasonably practicable, which We reasonably request in the exercise of Our rights of recovery.

You will at all times take reasonable steps and provide reasonable assistance to Us in order to assist Us in the exercise of Our rights of recovery.

Fidelity recoveries

In the event of any payment in respect of a Policy Claim:

- (1) the Company must, if requested by Us, take all reasonable steps to make recovery from any person committing or condoning the dishonest or fraudulent act or from the legal representatives of such person; and
- (2) to the extent allowed by law, We will deduct the following from any amount payable in respect of Fidelity Loss caused by or resulting from a dishonest or fraudulent act:
 - a) any monies which but for such dishonest or fraudulent act would be due from the Company to the person committing or condoning such act;
 - b) any monies held by the Company and belonging to such person; and
 - c) any monies recovered under 1. above.

All such monies will be applied towards reducing the amount of the Loss.

All recoveries

All recoveries obtained by Us from other parties will be allocated, after the settlement of any Claim or Policy Claim under this Policy as follows:

- (1) firstly, to Your benefit to reduce or extinguish the amount of Your Loss to the extent that it would have been paid under this Policy but for the fact that such Loss exceeds the management liability Limit of Liability, errors and omissions Limit of Liability or the applicable sub-section as the case may be and the Excess where applicable; and
- (2) secondly, to Our benefit for all sums paid in settlement of Loss or Policy Claim arising under this section of the Policy; and
- (3) thirdly, to Your benefit.

All recoveries will be applied as herein only after deduction of the reasonable cost of obtaining such recovery. All recoveries made prior to settlement of any Claim or Policy Claim under this Policy will be held for Our benefit and applied as stated herein after settlement if any is made.

Recoveries do not include any amount recovered from insurance, suretyship, reinsurance, security or indemnity taken for Our benefit.

Conditions Applying to Section 9

The following only apply to the extent relevant and subject to applicable law which may restrict Our rights in certain circumstances. For more detail on these restrictions see “When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim”.

- (1) a Merger or Acquisition of the Company; or
- (2) the appointment of a receiver, controller, administrator or liquidator to the Company or, the commencement of a scheme of arrangement or compromise or a winding up process in respect of the Company,

then this Policy will remain in force until the expiry of the Period of Insurance:

- (3) under insuring clauses 1, 2, 3, 4, 5 and 8 only in respect of Loss resulting from Claims based on Wrongful Acts committed or alleged to have been committed; or
- (4) under insuring clause 6 only in respect of Fidelity Loss sustained, prior to the events described in (1) or (2) above.

There shall be no cover under insuring clause 7 for Business Crisis Consultant Fees in responding to a Business Crisis Event occurring as a result of, or after, the events described in (1) or (2) above.

Authorisation

The Named Insured is the agent for You and You are bound by any statement, act or omission of the Named Insured for all purposes under this Policy, subject to the Claims Conduct claims condition and the Disclosure and the Severability and Imputation general condition.

If the Named Insured is more than one entity, then the first entity listed in the Schedule will be deemed to be the Named Insured.

Company failure to indemnify

Where insuring clause 2 applies and the Company is in liquidation (other than voluntary liquidation) and has insufficient funds available to indemnify the Insured Persons for Loss as agreed, then the Excess applicable to the Company specified in the Schedule is not payable to Us.

Confidentiality

You must not disclose the existence or terms of this section, including without limitation the Limit of Liability, the nature of the insurance or the Premium payable under this section to any person who is not You except where:

- (1) You are required by law or stock exchange rules to do so; or
- (2) We provide Our prior written consent to such disclosure (such consent not to be unreasonably withheld).

Other conditions also apply under the Policy terms. See for example, “General Conditions Applying to All Sections”.

During the Period of Insurance You must tell Us as soon as reasonably possible after You become aware (or a reasonable person in Your circumstances would become aware of) of any changes to:

- (1) any information contained in the Schedule;
- (2) the most recent information provided by You to Us in relation to the Policy which You know, or could reasonably be expected to know, may affect the risks insured by Us.
