SURA CONSTRUCTION

Purpose built cover for the construction industry

Who is SURA Construction?

SURA Construction offers purpose built insurance cover for the construction industry. With a reputation for specialist industry know-how, sector-specific underwriting expertise and a claims service that stands behind our promises, our blueprint is to help our preferred network brokers make sense of construction insurance complexities so their clients stand on solid foundations.

Coverage

Our products include:

- Annually renewable Construction Insurance policy (intended for builders doing several jobs a year)
- Single Project Construction Insurance policy (ideal for Principals, complex projects or large Contract Values)
- Owner Builder Construction Insurance policy (tailored to people building their own home under an Owner Builder Permit)

Each policy form contains a separate section for Material Damage and Public Liability.

Cover can include:

- Employees Tools
- Plant and Equipment
- Hired In Plant
- Display Homes
- Vacant Land

Appetite

- Builders doing several construction jobs annually
- Single construction projects
- Home owner builders

In addition to the above, for our preferred network brokers, we are able to underwrite most dry civil works as well as commercial and industrial builds as single projects or on an annual policy.

Take advantage of

- Broad risk appetite for both Material Damage and Public Liability
- Cover can include Tools, Mobile Plant and Hired In Plant
- Policy can be extended to include Display Homes and Vacant Land awaiting sale
- Authorised in-house claims handlers
- Direct access to underwriting decision makers
